*Aug. 18- KP3!

Parents,

KP3 is this Friday night! We hope you will join us so that you can enjoy some time for yourself and your little one can have a great time with us! If you haven't joined us for a KP3 yet, I promise you will love it (and your kiddo will too)! If you have any questions, don't hesitate to ask! The sign-up sheet is on the desk in the lobby! Start making your plans!

~Mrs. Christina

Waddlers and Toddlers

Head, shoulders, knees and toes! This week's theme is "My Body". We will learn our body parts, talk about our 5 senses and what body parts are used for each. We will also make a Caterpillar for our letter of the week, "C". Eyes and ears, and mouth and nose, head, shoulders, knees and toes! Can't wait to get this week started! ~Ms. Marlyn, Ms. Meghan, Mrs. Ashleigh, & Mrs. Jaide

2's

This week's theme is "My Body". We will be talking about the parts of our bodies and count how many we have of eyes, fingers, toes, etc. Also, we will trace our bodies and draw faces and clothes on them. We will also dance to the "Hokey Pokey"! To finish our week, we will make strawberry jam to have with bread for our cooking project. ~Ms. Casey & Mrs. Emily

Wednesday- bring a book related to theme or about Caterpillars for the letter of the week

Thursday- bring something red

Friday- turn in your "All About Me" Puzzle Piece

3's

We always have fun learning about our bodies and the 5 senses. Each day we will do an activity or two to challenge each of our senses. The kids will close their eyes, listen to sounds and guess what it is; they will feel inside brown bags and guess what they are touching; there will be a Taste Map of our tongue and we will taste something sour, bitter, sweet, and salty; and lastly, we will pick several herbs from our garden here at the school and see how different each scent is! ~Mrs. Allison & Mrs. Dixie

Tues.- Show & Tell

Thurs.- bring something red

Wed.- wear red

Fri.- Yoga/Dance

Pre-Kindergarten

This week in Pre-K is all about the body! We will use our excellent counting skills to number our bones, learn fun facts about the body, and name our body parts and their functions. We will also spend the week using our 5 senses to explore our classroom. ~Ms. Tyler
