\*March 24- Last day to order  
Spring Pictures

Parents,

The kiddos did so great with Spring Pictures! I haven't had a chance to look through all of them but from what I have seen and heard from you all, it seems like you may have a tough time picking out pictures! This Saturday, March 24th is the last day to order so be sure you make your decisions by then! Just a reminder that this is a fundraiser for our school. This allows us to buy new supplies, toys, manipulatives, etc. Not only will you be getting adorable pictures of your little one but you will also be helping our school!

~Mrs. Christina

### Waddlers and Toddlers

Happy Spring!! This week the kids will be learning all about the Spring weather! We will be making flowers and birdfeeders! On Friday, we will actually be making Flower Biscuits for our Cooking Project! With the warm weather approaching, please bring your kiddo sun-screen (if needed) and an extra pair of clothes so we can switch them out with the winter ones. Thanks!

~Ms. Meghan, Ms. Michele,  
Mrs. Ashleigh, & Ms. Tamika

### 2's

Spring is finally here! All week long, we will celebrate the arrival of Spring. We will observe the wind and make and decorate wind socks. We will also listen to a thunderstorm and try to make our own storm using only our bodies. The class will also make some flower biscuits for our cooking project and fly our wind socks on Friday if the weather permits.

~Ms. Casey & Mrs. Emily

Wednesday- bring a book about Spring

Thursday- wear pink

Friday- Show & Tell something about Spring

### 3's

This is a great week to talk about Spring and all the weather (and allergies) that come along with it. We are going to observe the wind and talk about how important it is for it to be rainy, and sometimes stormy. The kids are practicing putting rain drops numbered 1-10 in order, and then matching them to umbrellas with the corresponding number. The class will hear a book about a horse who is allergic to flowers, and we are going to learn how/why people have allergies to different things. The class is doing great with the sound each letter makes! We are on letter "h", and will work on "h" sound and "h" words, as well as "h" in sign language. ~Mrs. Allison & Ms. Meghan

Tues.- Show & Tell      Thurs.- bring item that starts w/ "h"  
Wed.- wear pink      Fri.- Yoga/Dance

### Pre-Kindergarten

Spring is here and our little learners are blooming! We will spend this week learning all about the parts of a flower, the inner workings of a bee hive, and everything Spring. We will also be working with Mrs. Allison's class in order to prep our playground garden for planting.

~Ms. Tyler

Sight words: square, pink, four, Spring

Wednesday- Bring a Spring book to share

Thursday- wear pink

Friday- Bring something pink or Spring theme for Show & Tell
