*April 13- KP3!!!

Parents,

If you ordered Spring Pictures, they are in!!! Just stop by my office and I'll be happy to give them to you! A HUGE thank you to those that participated in this fundraiser!

KP3 is this Friday night! The sign up sheet is in the lobby so be sure to sign your little one up! With a little luck, maybe the weather will be nice and you can actually enjoy a nice Spring night out!
~Mrs. Christina

Waddlers and Toddlers

The arrival of Spring means that the bugs are back! This week, we will learn all about insects; the ones that fly and the ones that crawl on the ground! We will also do several art projects with different types of bugs and even go on a bug hunt while we are on the playground! On Friday, we will make Dirt & Worm Cups for our Cooking Project! YUM!

~Ms. Meghan, Ms. Michele,
Mrs. Ashleigh, & Ms. Tamika

2's

Now that Spring is in full bloom, the insects and bugs are buzzing all around! This week, we will learn about insects & bugs. We will identify common bugs found outside and the sounds they make. The class will also dig "bugs" out of dirt dough, look at bugs through a magnifying glass, make bug art, and go on a bug hunt. On Friday, we will make Dirt & Worm Cups for our cooking project.

~Ms. Casey & Mrs. Emily
Wednesday- bring a book about bugs or insects
Thursday- bring something black or triangle shaped
Friday- Show & Tell something theme related

3's

We will have a great week learning about all the bugs that are starting to crawl about with this warmer weather! We will count legs, name the different body parts, talk about what bugs "are, can, and do". The kids will have fun painting with worms (noodles) and playing "Bug Charades". The class will also match ladybug wings with same spots and make finger paint bugs!

Tues.- Show & Tell ~Mrs. Allison & Ms. Meghan
Wed.- wear black
Thurs.- bring a plastic insect
Fri.- "Bug" Poses

Pre-Kindergarten

This week in Pre-K we'll be learning all about our favorite guilty pleasure- bugs! From ladybugs to lightning bugs, our pint sized entomologists will be busy little bees! We are also focusing on recognizing our lowercase letters when they are not paired with their uppercase friends so encourage your little one to point them out to you for practice! ~Ms. Tyler

Sight words: seven, black, triangle, bug
Wednesday- Bring a book
Thursday- wear black
Friday- Bring something black for Show & Tell
