MEMO

Mark your Calendars!

*May 18- Pre-K Graduation @ 10

*May 18- KP3!!!

*May 28- Closed in observance of
Memorial Day

Parents,

We hope all of the moms had a wonderful Mother's Day! We sure enjoyed spending some special time with you for Muffins for Mom!

This Friday is KP3! Please be sure to sign up in the lobby and start making your plans! It's a toss up whether your little one will enjoy it more or if you will enjoy your time more!

~Mrs. Christina

Waddlers and Toddlers

Waddlers and Toddlers will be learning all about Under the Sea! We will be making octopus, crabs, and jellyfish crafts! We will also be making slime and an ocean in a bottle! For our cooking project, we will even be making our very own Ocean snack to enjoy! We can't wait to show you our slime!

~Ms. Meghan, Ms. Jasmine,
Mrs. Ashleigh, & Ms. Tamika

2's

This week, the class will be learning all about what's "Under the Sea". We'll learn about the difference between fresh and salt water, the types of animals in the ocean, and the types of plants found there too. The class will also listen to the sounds of ocean animals, sort seashells, and go "fishing". We will also have several activities and crafts that are ocean themed throughout the week, and we'll finish out the week by making "Ocean in a Cup" for our cooking project.

~Ms. Casey & Mrs. Emily
Wednesday- bring a book about the ocean
Thursday- bring something blue
Friday- Show & Tell related to the ocean

3's

This week, we are talking and learning about all things "Under the Sea"! The class will learn about how fish breathe underwater; shark, seahorse, and octopus facts; and some whale/octopus counting and matching activities. The class will see how long a Great White Shark is and count how many kids can fit inside! Our cooking project is an "Ocean in a Cup" and we are going to make lots of sea creature crafts to turn our room into an ocean!

Tues.- Show & Tell ~Mrs. Allison & Ms. Meghan
Wed.- wear blue Fri.- Ocean Animal Yoga
Thurs.- bring an ocean book

Pre-Kindergarten

This week in Pre-K, our tiny oceanographers will be exploring the deep blue sea and all the creatures living in it! We will study different types of marine life, make our own jellyfish, and dig for sea shells. Don't forget, Friday is Graduation Day! Please make sure your little one is here by 9:30 at the latest so we can get ready!

~Ms. Tyler
