Parents,

I will be sending home a Fall Registration Form on Tuesday. In order to ensure your child's spot for the Fall, it is imperative that you turn this form back in by next Wednesday, July 18th. After that, we will open any spots to those on our wait lists. Feel free to place the form in the tuition box on the lobby desk, give it to the teachers, or place it on my desk. You can include the supply fee in your tuition check, give cash to the teachers, or let them know that you would like me to charge your credit card. Please let me know if you have any questions!

Waddlers and Toddlers

You scream, I scream, we ALL scream for Ice Cream! What a fun and yummy week we have planned for our Waddlers and Toddlers! We will make some fun crafts with ice cream and the letter "x" and end our week by making our own Ice Cream in a bag, on Friday, for our Cooking Project!

~Ms. Meghan, Ms. Jasmine,
Mrs. Ashleigh, & Ms. Tamika

2's

I scream! You scream! We all scream for ice cream! Summer heat is out in full force, and there's no better way to beat the heat, than with a nice cold scoop of ice cream! We will learn how it's made, watch it melt in the heat, and even make some of our own ice cream for our cooking project on Friday. We will also have several arts and crafts centered around ice cream, and talk about our favorite flavors!

Wednesday- bring a book about ice cream

Thursday- wear pink

Friday- Show & Tell related to theme

3's

Ice Cream week is always a favorite in our class! It's fun for the kids to use ice cream as a learning tool. They will match cones and scoops by numbers, stack the number of scoops written on each cone, and make a favorite ice cream graph. We will also make home-made ice cream on Thursday! The class will make a banana split and ice cream sundae craft, and they get to practice writing in our tray filled with sprinkles!

~Mrs. Allison & Ms. Meghan

Tuesday- Show & Tell

Wednesday- wear pink

Thursday- bring in a circle object

Friday- Yoga/Dance

Pre-Kindergarten

The weather is hot and there's no pool at school, so there's only one way to stay cool: Ice Cream! This week, Pre-K will learn all about working in an ice cream shop. From taking and filing orders in our pretend shop to graphing our favorite flavors, we'll be serving up scoops full of fun to beat the heat!

Sight words: pink, ten, circle, big
