KP3 is this Friday night! If you are new with us, this is a great opportunity for you to enjoy a date night or just have some time to yourself! The children have a great time getting to play extra with their friends, eat pizza, wear their pajamas at school, and watch a movie! Just sign up on the sheet on the lobby desk and start making your plans!

This week each child will be able to share special things about themselves and what makes each of them special. We are going to fingerprint everyone and look at how different each print is. We are also going to measure and count how many feet and inches tall we are. We will start making an "All About Me" book with our fingerprints, height/weight, and all their "favorite things" as a 3 year old.
