Parents,

We're off to a great start for the new school year! We are so excited to have some new families joining us as well! Please go ahead and mark your calendars for our Open House Meet 'N Greet on August 15th from 5:30-6:30. This is an opportunity for you to get to know your child's teacher better, meet the other children and families in your child's class, and let your child show you around their room. We will have refreshments too! We hope you can join us!

Welcome back to school! We are so excited to begin a brand new year. We have lots of fun crafts and activities planned to help us get to know our new friends. We will also be spending some time practicing the different routines we have in the classroom. We will end the week by making a "Chicka Chicka Boom Boom" snack for our cooking project.

Welcome to a new school year! This week, the class will spend a lot of time getting to know each other. We will also talk about our daily schedule and learn about our class goals. We will practice lining up quietly, sitting down for circle time, and singing our welcome song. Our book of the week will be "The A Book" by Dr. Seuss, which we will read each day at circle time. We will also have several crafts and will finish the week by making a "Chicka Chicka Boom Boom" snack on Friday.
