## MEMO

### Mark your Calendars!

- \*Feb. 14- Valentine's Day Party!
- \*Feb. 15- KP3!!!
- \*Feb. 18- Closed in observance of President's Day

Parents,

We are trying really hard to keep the germs at bay, especially the flu germs! We are hearing so many stories of schools that have really been hit hard this year. PLEASE help us with this by washing your kiddos jacket, nap mat, etc. and keeping them home if they aren't feeling well. Hopefully, together, we can get through this flu season without too many cases!

~Ms. Casey

### 1's

This week in Waddlers and Toddlers, we are reviewing the letter "a". We have so many fun things planned for our Dental Week. We will be creating a giant toothbrush on Monday. Wednesday we will help the children pick which foods are "good" and "bad" for your teeth. Lastly, on Friday we will be making apple smiles, we are so excited about the week ahead. ~Ms. Jasmine, Ms. Quin, Ms. Tameka & Ms. Deja

### 2's

Since February is Dental Health month, this week the class will be learning about the dentist and taking care of your teeth. We will talk about how to brush our teeth, how long to brush them, how to floss them and even practice by flossing with the yarn blocks. We'll pretend to visit the dentist, watch a video about going to the dentist and practice brushing our teeth. We will finish out the week by making apple smiles for our cooking project. ~Mrs. Emily & Ms. Meghan  
Wed.- Bring a book related to theme  
Thur. -Wear purple  
Fri.- Show and tell related to theme

### 3's

The 3's will be learning all about Dental Health this week. We will count our teeth and discuss how we can keep our teeth strong and healthy. We will sort pictures of "good" and "bad" food. On Thursday we will make Apple Smiles for our cooking project. ~Mrs. Ashleigh

Tuesday -Show and Tell  
Wednesday- Wear purple  
Thursday- Bring a book  
Friday- Yoga/Dance

### Pre-Kindergarten

Get your toothbrush ready to go! This week Pre-K will be learning how to take care of their teeth and what foods make their teeth happy and sad. We will begin to work on recognizing/writing lower case letters and continue to work on classroom rules. The children will also get to participate in some fun science experiments as well! Don't forget to bring in your family photos.

~Mrs. Kasey
