

# Sunflower Station Preschool

November 11-15, 2013

## Peek At Our Week

Theme: "Transportation"

Letter: M

Number: 3

Shape: oval

Color: green

## MEMO

### Mark your Calendars!

\*Nov. 22- KP3!!!

\*Nov. 26- Thanksgiving Lunch

\*Nov. 27-29- Closed in observance of Thanksgiving

Parents,

We have a blue OshKosh B'Gosh jacket that is missing. PLEASE help us by checking at home, in your car, and in your child's bag to make sure that it didn't accidentally go home with you. Unfortunately, sometimes jackets get switched up and put on the wrong hooks in the classrooms.

Just a reminder that we are accepting credit cards now with a 2% convenience fee! We had several people express interest in this but haven't had too many actually participate. If you have any questions, please let me know. Thanks!  
~Mrs. Christina

### 1's

All aboard! This week we will be learning about transportation! The children will be making planes, train patterns, and playing automobile games! We will be acting like a choo choo train, while learning our numbers and watching sail boats float!

Parents, with the weather getting colder, we will still be taking the children outside on occasion. We ask that you please send an appropriate jacket with your child's name on it. This helps to make sure your child goes home with the right jacket! Thanks for your help!  
Mrs. Brittany, Ms. Teresa, Ms. Britney & Mrs. Courtney

### 2's

This week we will be learning about the different means of transportation. The two year old class will pretend to travel to different parts of the world using different ways of transportation. They will complete a fun science project that allows them to make a classroom ramp and race different vehicles on it to notice the different speeds. Our cooking project is Monkey Bread for the letter M. ~Ms. Casey and Mrs. Myka

### 3's

Cars, buses, and planes- transportation week is here! We hope everyone enjoyed their Veteran's Day holiday. It's going to be a fun, short week as we learn all about transportation. We'll make Monkey bread for our cooking project on Thursday.

~Mrs. Natalie & Ms. Linda

Wed.- wear color green

Thurs.- bring oval shaped item from home

Fri.- bring 3 blocks or/and a toy that starts with "m"

### Pre-Kindergarten

Pre-K, buckle up and check your mirrors because we are learning about the wheels on the road! Why do we drive on a parkway but park in a driveway? Any one know? We will measure how tall our parking garage is, count how many cars we have, and read about all the types of transportation in the world. ~Ms. Ashley  
Thursday- wear green  
Friday- bring in some kind of transportation (keep it small please!)  
Since it's a short week, we will not have a Star Student! We will ALL be stars!
