## Peek At Our Week

Theme: Spring  
Letter: d  
Number: 10  
Shape: pink  
Color: square

## MEMO

### Mark your Calendars!

- March 10 & 11- Picture Day
- March 20 —KP3

Parents,

Spring Pictures are this Tuesday and Wednesday! Mrs. Christina sent out an e-mail to those that signed up for pictures to let you know which day your child will be taking pictures. They will probably start taking pictures around 7:30 and try to be done by 10- 10:30 both days. It usually takes them just a few days to get the proofs out. We will place the info on viewing your proofs in your child's cubby and they will e-mail it to you as well. If you have any questions, please let us know!

~Ms. Casey

### 1's

This week we're jumping into Spring and we have so many fun things planned! We will be making flowers with our hand prints, paper plate flowers, as well as making rain indoors for our science project. The kids will also be learning the rain dance, which is sure to be fun! In addition to all the fun, we'll be reading lots of books about Spring too!

~Ms. Jasmine & Mrs. Keyonna  
Ms. Brenda & Ms. Star

Wednesday—Show & Tell

Thursday— Bring a book about Spring

Friday— Wear Pink

### 2's

Good bye winter! Hello spring! This week we will focus on things for Spring. We will talk about how it has to rain a lot in order for our beautiful spring flowers to grow. We will make beautiful and fun Spring crafts and end our bright week with a yummy flower biscuit. P.S. We are supposed to have some nice weather this week, which means more outside time! Yay! Please don't forget jackets!

~Ms. Sheniqua & Ms. Megan

Wednesday: wear something pink

Thursday— Bring a Spring book

Friday— Show & Tell

### 3's

Goodbye Winter, Hello Spring! We have many activities planned this week. One thing we will focus on is rainbows. We will be continuing working on our lower-case letters. We will also be learning about the different seasons and what makes Spring unique. Hopefully it will stop raining sometime soon so that we can get back outside to play! Please be sure to update your child's spare clothes so they are weather appropriate! ~Mr. Finch

Wednesday: wear pink

Thursday: Bring a book about Spring

Friday: Show & Tell

### Pre-K

See ya later, Winter! It's time to celebrate all things Spring! We are going to talk about all of our favorite outdoor activities, learn about the science behind rainbows, and even paint some of our own.

~Mrs. Tyler

Wednesday— Bring a book

Thursday— Wear pink

Friday— Show & Tell
