Parents,

We just wanted to let you know that we will be continuing to wear our masks during the day. We are hopeful that we will be able to have you all back in the building very soon. It makes it much easier on us, and you all as well, once you can come in the building to be sure you have everything that needs to go home. It will also greatly help with communication. Plus, we want you to see all the great things your little one is working on!

~Ms. Casey
