of Independence Day

Parents,

We are hopeful that we have gotten everyone's key fobs programmed and given you all a pin. If you do not have a key fob, please push the button in the bottom right corner of the cream pad by the front door. It will then beep inside and we can ring you in. For pick-up, once you have signed out on the paper and computer, you can then head on back to the door of your child's classroom. Please let us know if you have any questions. Thank you!

~Ms. Casey

### 1's

Arrrrrrggggg!!! This week is all about pirates! We will go on a treasure hunt and look for our color of the week, red. We will also practice out counting with gold coins and "walk the plank"! For our cooking project, we will make Treasure Chest Muffins!

### 2's

"Ay, Ay Matey!" We need your help this week! The two year old class has lost their treasure box! We believe another class may have borrowed it so we must pull out our patches, hats, and hooks to go on a school treasure hunt. These pirates will be on the search to recover their lost treasure! For our cooking project, we will be making Treasure Chest Muffins!

~Ms. Chelsey & Ms. Brenda

Ahoy! This week, we are setting sail on the open seas as pirates! We will practice speaking like a pirate and dress like them, too. We will also sort through treasure, go on a treasure hunt, and walk the plank! With Father's Day this Sunday, the class will make a special gift for Dad!
