This week is all about "Ice Cream". We will be talking about our favorite ice cream and how many scoops you can place on the cone before it breaks. We will also be making an ice cream sundae in a bowl, creating ice cream clown art, and doing an ice cream cone stack craft. Friday we will be making our very own homemade ice cream. Yum!! Yum!!

It sure is a hot Summer and the best way to cool off is with a bowl of ice cream! This week we will talk about our favorite flavors of ice cream and the different types there are.
