Parents,

Please make sure that you are wearing a mask when you enter the building. We are trying to avoid having you all wait outside since it is so cold now so please help us by making sure your mask is on when you are inside. Also, please be sure to continue to monitor your child and yourself for any symptoms. Children should remain home until they are symptom free for 24 hours without medication before returning to school. Thank you for your help! ~Ms. Casey
